

ABOUT US

We hope you enjoy this beautiful barn, built over 300 years ago as part of Northcourt farm. The farm itself dates back almost 1,000 years, when. It was started by the monks of Abingdon Abbey. Right up to 1945, the farm barns were working buildings, full of crops, machinery, and animals; and then until the 1990s, they housed a dairy.

Then the barns stood empty, until the people of Christ Church (who meet in the other barn you can see across the car park) decided it was time to bring them to life again - to buy them, rebuild them, and create something special for the community. After years of hard work, the vision became a reality.

The Café vision statement is to be:

A welcoming place that is a pleasure to come to
which demonstrates the love and values of Jesus
and which succeeds as a business

We are a friendly team of mostly part-time volunteers, supported by a few paid staff. We are always keen to welcome new people in, so do speak to our team if you are interested in volunteering with us.

For information about what's on, see the back of this menu, check out our fliers and see our website: **www.thebarnscafe.co.uk**

Pick yourself something lovely from the menu, order and pay at the till,

Please note that as we make everything fresh to order here in our little kitchen, there can be a longer waiting time for your food to arrive during busy periods, so please bear with us. Thank you for your patience.
